# ABOUT US

Zarion by SV Wines was established in 2021. It is a company established by Sandile Maseko, a mother, realising the dream of creating a legacy for her family. As the first-born child given a predominantly boy name **Sandile**, meaning the family has expanded; she always had a dream of honouring the responsibility to grow her family name and establish a legacy for her own family.

## MEET THE OWNER

The love of wines was birthed in her some years ago when she left the green beautiful mountainous landscapes of the Mpumalanga Province to pursue a university degree and seek a brighter future in the beautiful City of Cape Town in the year 2003. A City at the tip of South Africa hugged by the beautiful roaring seas, hiding rows of vineyards producing grapes still to be explored by our inquisitive founder.

The experience of a wine bottle introduced by her classmate led to the love of the poetry inside the bottle. Little did our Environmentalist know she will fall in love with the stories told by the liquid inside the bottle. Even though wine making is not her profession, she found a great wine maker in the Robertson Valley to create poetry inside a wine bottle – this became a dream realised.

## THE NAME ZARION

The name **ZARION** means **WARRIOR**, it was created through the infusion of our founders' names, **Sandile** "**Mathipa**" Felicity which mean leadership, expansion, access, happiness, wealth, direction, sharpness, and clarity. **A WARRIOR**, is a leader that is courageous that always strives to bring stability, joy, and hope to those around her. This is the very reason why we tame Zarion Wines as spirit filled wines. – the wines are the essence of the spirits that led to her nature

***When one sits with any bottle of Zarion and takes a sip from the quality infused wine – we hope a leader is birthed in you.***

## OUR WINES

Our wines come from the grapes grown in beautiful weathered karoo shales and limestone soils of the Robertson Area, in a single vineyard farm where there is favourable climate allowing for limited interference in the wine production process. We produce the following varietals:

# GRENACHE ROSE

## WINE WARRIOR SPIRIT:

Courage, love and magic

## WINE MAKING:

The grapes are hand-picked at low sugars and ripeness to make this delicate and aromatic rose. The skin contact was kept to a minimum to ensure the light colour of the wine. Fermentation was done in stainless steel tanks and bottled right after to maintain the freshness in the bottle.

## TASTING NOTES:

The Grenache is light pink in colour with a nose that is bursting with fresh strawberry, raspberry, red cherry, melons and a touch of potpourri.

## THE CABERNET SAUVIGNON:

### WINE WARRIOR SPIRIT:

Peace and Purity

### WINE MAKING:

3 special blocks were used and each vineyard vinified separately. The wine spent 15 to 20 days on the skins with 3 pump overs per day and then pressed to undergo malolactic fermentation in a tank, after it was aged for 18 months in various types of used oaks.

### TASTING NOTES

A deep rich ruby red colour in the glass. The aromas that jump out include blackberry compote, cassis, black plums, tobacco leaf and Christmas fruit cake.

# THE SAUVIGNON BLANC

## WINE WARRIOR SPIRIT:

Calmness and Serenity

## WINE MAKING:

The grapes are handpicked early to give this wine its lively, crisp acidity and fermented in silver tanks, bottled immediately to keep its freshness.

## TASTING NOTES:

This calm warrior wine has intense guava, green pepper and litchi bouquet and will live you refreshed and filled with joy.

# THE CHENIN BLANC

## WINE WARRIOR SPIRIT:

Refreshment and Security

## WINE MAKING:

The grapes were hand-picked, fermented and matured for 10 months in 300L and 500L old natural oak barrels.

## TASTING NOTES:

The wine has crispy notes of white pear, nut, and yellow apple that reach the nose with a rich broad and great depth of flavour.

# THE CHARDONNAY

## WINE WARRIOR SPIRIT:

Rest and boldness

## WINE MAKING:

The grapes were handpicked and spontaneously fermented, with no added yeast. They were matured in concrete tanks & Neutral French Oak barrels for 10 months

## TASTING NOTES

The wines have a rich, broad, great depth of flavour & well balanced acidity. The notes have a hint of tropical fruits and some green and yellow citrus notes.

## OUR PRICE-LIST:

Our Wines retails for the following amounts (excl. vat):
